

River Heights Youth Council Sign Up

River Heights is looking for individuals to serve on the Youth Council. Individuals will be uniquely involved in planning, execution, and leadership of varying projects and activities that will directly impact the citizens of River Heights. The Youth Council reports directly to the Mayor and functions under appointed advisors.

This opportunity gives youth a chance to experience how city government functions and how they interact with state and other local governments. This also becomes a powerful addition to college and university applications as well as employment and internship resumes.

Commitment includes 1 or 2 field trips to state and local sponsored youth council trainings, monthly meetings, and leadership responsibilities for any planned activities as they occur. Meetings will be planned around other school and work commitments as much as possible.

Requirements for serving on the Youth Council:

- Must be a resident of River Heights
- Must be at least 15 years old (*exceptions on a case by case basis*)
- Be willing to attend all commitments as required
- Be excited and willing to be a role model to youth around the valley
- Able to represent your community in a positive and professional manner

If interested, please fill out the blanks below and **turn in to the city office**

Name _____

Address _____
